Non-hunting guests who accompany a hunter and require a separate room are subject to regular room rates starting at \$1,600/night.

Hunt Deposit Policy

- Hunt packages on Vermejo are considered “booked” when a 50% deposit of the total price of the package is on file with our Reservations Desk. Full payment of hunt packages are due 90 days prior to the start date of the hunt.
- A grace period of 10-business days is allowed from the date the invoice is issued to pay the deposit to the Reservations Desk via credit card.
- **The total hunt package cost is due on or before 90 days prior to the start of the hunt.**
- Hunt reservations not paid in full at least 90 days prior to the start of the hunt will be canceled and resold. Hunts booked within 90 days of the start of the hunt require full payment upon booking.
- Individuals responsible for booking hunt parties larger than 1 will be required to notify, in writing, additional hunter and non-hunting guest names, and payment instructions (email is sufficient). Any additions, substitutions, or cancellations from the original guest list booked require approval through the Vermejo Hunt Manager.

- Hunts are not booked more than two years in advance and are subject to the deposit policy listed above.
- Dates and rates are subject to change, however, the price at the time of booking will be honored if a 50% deposit has been received.

Cancelations and Refunds

In the event of a cancellation, refunds of deposit are available under the following circumstances:

- Cancellations made prior to the 90-day final payment deadline: refund of deposit is available, minus a 15% administrative fee.
- Cancellations made after the 90-day final payment deadline: no refund of deposit is available.
- **Vermejo no longer transfers deposits or reservations to subsequent years. Refunds of deposit overages are made at time of departure.**
- *Exceptions to this policy are made at the sole discretion of Vermejo management on a case-by-case basis.*

Meat Processing and Taxidermy

A custom meat processor (Cinnamon Creek Wild Game Processing of Ft. Worth, TX) will be on-site during the Pronghorn, archery, premium rifle, and management hunts. They will skin/cape and offer basic processing of your animal as part of the cost of your hunt. Basic processing includes steaks, roasts, stew meat and hamburger (**specialty meats and shipping not included in basic processing**). If you would like them to process and ship your game meat and/or ship your hide and antlers, they can do so for an additional fee paid to the processor. They can also arrange to have your taxidermy work done at Alpine Taxidermy (Ft. Worth, TX).
