Hunt Deposit Policy

Hunt packages are considered "booked" when a 50% deposit of the total hunt package is on file with our Reservations team. Full payment of hunt packages are due 90 days prior to the start date of the hunt.

Deposits must be received within a 10-business day grace period from the date the invoice is issued.

The total hunt package cost is due on or before 90 days prior to the start of the hunt.

Hunt reservations not paid in full at least 90 days prior to the start of the hunt will be canceled and resold.

Hunts booked within 90 days of the start of the hunt require full payment upon booking.

Individuals responsible for booking hunt parties larger than 1 will be required to notify, in writing, additional hunter and non-hunting guest names, and payment instructions (email is sufficient). Any additions, substitutions, or cancellations from the original guest list booked require approval through the Vermejo's Hunt Department.

All persons paying will be held to this deposit policy. Only those in the party who have a confirmed deposit will be booked and only those with full payment as per this policy will be granted hunting privileges.

Hunts are not booked more than two years in advance and are subject to the deposit policy listed above.

Dates and rates are subject to change, however, the price at the time of booking will be honored if a 50% deposit has been received.

Cancellations and Refunds

In the event of a cancellation, refunds of deposit are available under the following circumstances:

Cancellations made prior to the 90-day final payment deadline: refund of deposit is available, minus a 15% administrative fee.

Cancellations made after the 90-day final payment deadline: no refund of deposit is available.

Deposits cannot be transferred or rolled over to subsequent years.

Refunds of deposit overages are made at time of departure.

Meat Processing and Taxidermy

A custom meat processor (Cinnamon Creek Wild Game Processing of Ft. Worth, TX) will be on-site. They will skin/cape and offer basic processing of your animal as part of the cost of your hunt. Basic processing includes steaks, roasts, stew meat and hamburger (**specialty meats and shipping not included in basic processing**). All meat orders are made directly with the processor. If you would like for them to process and ship your game meat and/or ship your hide and antlers, they can do so for an additional fee paid to the processor.

They can also arrange to have your taxidermy work done at Alpine Taxidermy (Ft. Worth, TX) or Dan French Taxidermy in CO.
